

Jack Lyons has all the dirt on the MCG

The Second Test between Australia and India begins on Boxing Day on the once infamous MCG pitch.

KEITH DUNSTAN met the curator, Jack Lyons, to find out what both teams can expect from a new, more promising strip.

THERE IS A very strong theory that cricket pitches are human. Some even suggest they have a soul. You must have noticed the way cricket commentators refer to them with a sense of awe. I have heard of lively pitches, unresponsive pitches, truculent pitches; of pitches that are quixotic, mean, A1, fiery, unyielding ▷
